PORTER PLAN COMMISSION INSTRUCTIONS FOR FILING A PETITION FOR A PLANNED UNIT DEVELOPMENT

1. Receiving a PLANNED UNIT DEVELOPMENT approval on a parcel of land permits the owner to sell and construct on that newly divided parcel(s). Each parcel in Town must be recognized as a lot of record before a building permit may be used for that parcel. The process of plan unit development is described in great detail in the Town of Porter Subdivision and Zoning Ordinances. A copy of that ordinance can be found in the Porter Town Hall, 303 Franklin Street, Porter, Indiana, 46304.
2. An application for a PLANNED UNIT DEVELOPMENT can be picked up at the Town Hall, 303 Franklin, Porter, Indiana, 46304. Ten (10) copies of the petition and all attachments must be filled out and brought back to the Town Hall, between the hours of 8:30 a.m. to 4:30 p.m., Monday through Friday, at least ten (10) calendar days before the date of the Plan Commission meeting. All petitions must be accompanied by scaled drawings of the affected area. The Plan Commission meets the 3rd Wednesday of each month at 6:30 p.m., at the Town Hall.
3. At the time the completed application is submitted to the Town Hall, a fee as determined by the Clerk-Treasurer must be paid and 10 copies of the application and drawings must be submitted to the Clerk-Treasurers Office. The receipt must be presented to the Plan Commission at the first meeting.
4. The petition will then be placed on the next regularly scheduled Plan Commission Meeting. The person filing the petition must be present to explain their request for the plan unit development and why. If the person filing the petition is not the current owner of the property, he or she must be authorized by signed affidavit to act on the owner's behalf.
5. At the meeting of the Plan Commission where the request is first heard the members will ask questions and listen to the petitioner's explanation. The Plan Commission can either table the petition and ask for more information or they may schedule a public hearing for the next regular meeting.
6. State law requires that during each request for a PLANNED UNIT DEVELOPMENT, a public hearing must be advertised and held at the Plan Commission Meeting to allow neighbors and other affected property owners of record to speak in favor or against the request.
7. The person filing the PLANNED UNIT DEVELOPMENT petition is responsible for giving public notice to the local newspaper and notifying property owners of record contiguous to the subject property, about the public hearing. The NWI Times is the required newspaper for publishing notice. A legal notice must be placed in that newspaper to appear at least ten (10) calendar days in advance of the public hearing. The petitioner shall also submit an electronic copy of the public notice to post on the Town of Porter website. A sample notice to be used is included in the subdivision packet attached to these instructions.
8. The person filing the legal notice must request that the newspaper send them a Proof of Publication, showing evidence to the Plan Commission that the notice did appear at least ten (10) days before the hearing. The Plan Commission will ask for that proof before they will hear the petition at the public meeting.

9. The person filing the petition must give notice by certified mail to all property owners of record whose property is contiguous to the property which is the subject of the **PLANNED UNIT DEVELOPMENT**. A list of those owners must be obtained from the Town. The notice of public hearing must be sent to these owners at least ten (10) calendar days before the date of the public hearing. A sample notice to property owners of record is attached to these instructions. The notice must be sent certified with return receipt requested.

10. When the petitioner mails the notices, they will receive a white ticket showing each was mailed. When the owners receive their letter they are supposed to mail the attached green card back to the person who mailed them. The owners list and the white tickets, (certified mail receipts), must be submitted to the Clerk-Treasurers Office prior to the public hearing. The green cards, when received, will serve as proof that the public hearing was properly advertised in accordance with state law. Green cards received after the public hearing should be submitted to the Clerk-Treasurers Office when they are received to be added to your file.

11. The petitioner must continuously post a public notice sign for at least ten (10) calendar days immediately prior to the date of the public hearing. The sign and post is provided by the Town by visiting the Clerk-Treasurers Office. There is a charge for the sign and a deposit for the post which is refundable when the post is returned. The sign must be placed in plain view and legible from the street fronting the property.

12. The Plan Commission will open the public hearing and ask if there is anyone wishing to speak in favor or against the request. It is strongly suggested that the person filing the petition should contact the nearby property owners of record and inform them of the plan unit development request in order to minimize confusion and misunderstanding.

13. The Plan Commission will either continue or close the public hearing. Continuing the public hearing to the next meeting usually means that more information from the public is needed before a decision can be made. Closing the public hearing means that the Commission feels that they have heard enough from the public, and they are ready to vote.

14. The Plan Commission by state law will then vote to recommend either approval or denial of the plan unit development request. A majority of the whole seven-member Board must vote the same way to constitute official action. In other words, four (4) of the Commission members must vote for either approval or denial for the motion to pass.

15. The matter then goes to the Town Council where final action is taken by ordinance.

16. It is the duty of each Plan Commission member to inspect property and buildings which are the subject of petitions before them. Upon the presentation of proper credentials, the petitioner agrees to allow entry into any building, structure, premises, or land, for the purpose of making inspections, at any reasonable hour.

I have carefully read these instructions and will abide by them.
