The commission was presented a proposal for Economic Development Consulting Services.

A.J. Monroe and Doug Olsen with SEH (Short Elliott Hendrickson Inc.) gave a presentation of the services his company could provide for the Town of Porter. Mr. Monroe stressed it is the right time to move some issues in Porter's comprehensive plan forward, focusing on development along U.S. 20 and 49. He also stated his firm could secure funding and grants for Porter similar to the \$150,000 that they secured for Burns Harbor last year through the Lake Michigan Coastal Program and the Northwest Indiana Regional Development Authority.

Mr. Snyder asked how SEH would develop Porter's gateways. Monroe suggested doing a corridor study of U.S. 20 possibly extending to IN 49. This matter will be placed on next month's agenda for discussion.

Mr. Fowler questioned the 'shall not exceed' verbiage of the contract and asked how SEH would be billing the Town. Mr. Raffin and Mr. Fowler affirmed an hourly rate needed to be included in the contract.

Bruce Snyder made the motion to accept the proposal for consulting services from SEH, subject to Attorney review.

Trevin Fowler made the second.

Motion passed. 5-0

Mr. Raffin made the motion to adjourn.

Mr. Granat seconded.

Meeting adjourned at 6:45.
