A. POLICY STATEMENT

The Town of Porter (hereafter referred to as "Town") is required to conform to Title VI of the Civil Rights Act of 1964 (Title VI) and all related statutes, regulations and directives, which provide that no person shall be excluded from participation in, denied benefits of, or subjected to discrimination under any program or activity receiving federal financial assistance from the U.S Department of Transportation (DOT) on the grounds of race, color, age, national origin, gender, disability or income status.

The Town assures that no person in the United States shall, on the grounds of race, color, national origin or sex be excluded from participation in, be denied the benefits of or be otherwise subjected to discrimination under any program or activity receiving federal assistance (Title 23 CFR Part 200 and Title 49 CFR Part 21).

The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of terms "programs or activities" to include all programs and activities of federal aid recipients, sub-recipients and contractors, whether such programs and activities are federally assisted or not (Public Law 100-259 [S.557] March 22, 1988).

Pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973 (29 USC §794), the Town hereby gives assurance that no qualified disabled person shall, solely by reason of his disability, be excluded from participation in, be denied the benefits of or otherwise be subjected to discrimination, including discrimination in employment, under any program or activity that receives or benefits from federal financial assistance.

In the event the Town distributes federal aid funds to a sub-recipient, the Town will include Title VI language in all written agreements and will monitor for compliance. The Town's Title VI Coordinator is responsible for initiating and monitoring Title VI activities, preparing reports and other responsibilities as required by Title 23 CFR Part 200 and Title 49 CFR Part 21.

F. ENVIRONMENTAL JUSTICE

In accordance with Title VI of the Civil Rights Act of 1964, each federal agency shall ensure that all programs or activities receiving federal financial assistance that affect human health or the environment do not directly, or through other arrangements, use criteria, methods or practices that discriminate on the basis of race, color or national origin. Part of Title VI reads, “No person in the United States shall, on the ground of race, color or national origin be excluded from participation in, be denied the benefits of or be subject to discrimination under any program or activity receiving federal financial assistance”.

The three fundamental environment justice (EJ) principles are:

1. To avoid, minimize or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations;
2. To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process; and
3. To prevent the denial of, reduction in or significant delay in the receipt of benefits by minority populations and low-income populations.

The Town of Porter is committed to these three environmental justice principles in all work that the Town performs.

H. LIMITED ENGLISH PROFICIENCY (LEP) POLICY

On August 11, 2000, the President signed an executive order, *Executive Order 13166: Improving Access to Service for Persons with Limited English Proficiency (LEP)*, to clarify Title VI of the Civil Rights Act of 1964. It has as its purpose to ensure meaningful access to programs and services to otherwise eligible persons who are not proficient in the English language. In addition, the U.S. Department of Transportation published *Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient Persons* in the December 12, 2005 Federal Register. This guidance outlines the following Four Factors that the Town uses to assess the LEP populations in Porter:

1. The number and proportion of LEP persons eligible to be served or likely to be encountered by the Town.
2. The frequency with which LEP individuals come into contact with the program, activity or service.
3. The nature and importance of the program, activity or service provided by the program.
4. The resources available to the Town and costs.

Summary of the Four Factor Analysis

Factor 1 – The number and proportion of LEP persons eligible to be served or likely to be encountered by the Town can only be estimated until the actual number of persons who can speak English less than “very well” are documented as needing assistance by Town staff. With this Title VI plan being in early development stages and considered a document that needs regular updates, U.S. Census Bureau information is being used at this time. The total population is provided below to show general distribution of race and ethnicity in the community. The estimated number of persons that may not speak English “very well” is following in the U.S. Census Bureau 2006-2010 American Community Survey.

The U.S. Census Bureau provides statistics from 2010 for the Town of Porter as follows:

Total population = 4858

Population by Ethnicity:

Hispanic or Latino = 319

Non-Hispanic or Latino = 4539

Population by Race:

White = 4366 (89.9%)

Hispanic or Latino = 319 (6.6%)

African-American = 50 (1.0%)

Asian = 45 (0.9%)

American Indian or Alaska Native = 15 (0.3%)

Native Hawaiian and Pacific Islander = 1 (0.0%)

Other = 7 (0.1%)

Identified by two or more = 55 (1.1%)

The U.S. Census Bureau 2006-2010 American Community Survey 5-Year Estimates under *SOCIAL CHARACTERISTICS* indicates the number of people in Porter who speak English less than “very well” is estimated at 21 or 0.4% of the total population with a margin of error of +/- 0.1%.

Factor 1 (continued)

For planning purposes, the Town considers people that speak English less than “very well” as Limited English Proficient (LEP) persons. It is estimated that the majority of people in the community speak English well or very well or have translation availability within their own families or friends. According to the census figures above, it is estimated that approximately 21 individuals (with an error margin of +/- 1 person) may be considered as LEP. Based on actual contact between Town staff and the community, there have been very few, if any, requests from persons in the service area asking the Town to provide language translation services. Therefore, the LEP population is probably less than the estimate shown above.

Factor 2 – The frequency with which LEP individuals come into contact with the program, activity or service:

Due to the relatively small minority population in the area, the estimated number of LEP individuals is very small. Thus, their frequency of contact with Town programs, activities or services is very rare and does not interfere with access to said programs, activities or services. LEP individuals typically have family members who can translate for them so they very seldom, if ever, require translation services from the Town.

Factor 3 – The nature and importance of the program, activity or service provided by the program:

If, at any time, an LEP individual requests translation services that are considered important such that denial or delay of access or services or information could have serious or even life-threatening implications, the Town will provide, upon request, services to assist the LEP population, including translation of vital Town documents and interpretation services.

Factor 4 – The resources available to the Town and costs:

The Town of Porter currently has one staff members who is bilingual in English and Spanish and that is available to translate requests from the Hispanic population on a day-to-day basis. Certified translation services are available upon request as discussed in Factor 3 above.

Summary of LEP Accommodation Plan

- The Town of Porter strives to serve its population to the best of its ability and will provide, upon request, services to assist the LEP population including translation of vital documents and interpretation services deemed necessary to provide meaningful access to Town services.
- A U.S. Census Bureau ISpeak card is available as part of this document and on the Town's webpage and is also available at Town Hall located at 303 Franklin Street, Porter, Indiana. This card allows LEP individuals to communicate their preferred language to Town staff whereas Town staff may then access a translation service.
- The Town of Porter will utilize a voluntary public involvement survey to collect information regarding persons affected by proposed projects. The survey permits respondents to remain anonymous, while voluntarily answering questions regarding their gender, ethnicity, race, age, disability status and household income. The voluntary public involvement survey is available at all public hearings and meetings. Once the survey data has been collected, it will be reviewed and then the survey will be placed in a file for future reference. In the case enough surveys are collected over time to show a significant increase in LEP populations, the Town may consider changes to their LEP policy. Completed surveys shall be retained for a period of three years from the date of the meeting and/or completion of the related project, if applicable. See Appendix g for a sample of this survey.
- The Town reviews written Title VI complaints and ensures every effort is made to resolve complaints informally at the local or regional level and review and update the Town's Title VI plan and procedures as required.
- Staff for the Town will be provided training on the requirements for providing meaningful access to services for LEP persons. Considering the small size of the Town of Porter and limited financial resources, current training may be limited to web access to this document and its attachments by all Town staff, a log showing the names of all staff that have been made aware of this document (sign off that they have read the document) and require that all new employees receive the same training.
