Motion by Ed Pilarski Second by William Cantrell: To approve the Treasurer's report as presented with a balance of \$ 40,736.97. Motion Passed

There being no other business before the Board President Stephen Rohe moved to open the Public Forum on The Town of Porter MS4 Stormwater Master Plan Update on Program Area's.

There were several members of the public in attendance including Joellyn and Ton Leasure, Elsie Maher, Mrs. Wagner, Charlotte Vawter, Bill Sexton, Jennifer Klug and David Kozinski.

The Public Forum was conducted by Town Engineer Hasham Khalil and Dean Price of Hass & Assoc. They presented the Plan by using an aerial map of the Town of Porter. As they moved around the Town all those attending the Forum identified drainage problem area's which were tagged with I.D. Pins for future reference. Those area's identified are listed on attached List.

President Stephen Rohe than address the audience thanking them for there input and making this public session very friendly and productive meeting. The Stormwater Management Board will use this information to form a drainage plan for the Town of Porter. It will take some time but we want to get it right at the lowest cost possible.

The next Public Stormwater Master Plan Forum will be on Wednesday September 26, 2007 at 6 P.M. Meeting was adjourned at 7 P.M.
